

IMPACT-PL

In almost three years of benefit administration, CT Paid Leave has provided over **\$1.36 billion** in benefits to **nearly 178,000 unique workers**. CT Paid Leave has received applications from **all 169 cities and towns**.

BY THE NUMBERS:

52 percent of claims allow employees to address their own serious health condition.

33 percent of claims are related to pregnancy, childbirth or bonding with a new child.

14 percent of claims support employees to care for a family member with a serious health condition.

Claim decisions are made, on average, **2.3 days** after documentation is filed.

92 percent of claims issues are resolved with one phone call.

“This program saved my family! My wife had breast cancer and was not able to work for several months. Thank God we live in Connecticut.”

-Michele

“My husband was injured helping a friend. He was out of work for 6 weeks. We weren't sure what to do but when instructed to apply for CT Paid Leave, our initial fear turned to relief. We are grateful.”

-Sofia

“I had a Hysterectomy a year ago and CT Paid Leave made sure that I could pay my bills while recovering. I was able to recover completely before returning to work.”

-Irma

The average length of leave is about **7 weeks**.
