

IMPACT-PL

Since January 2022, CT Paid Leave has provided over **\$1.8 billion** in benefits to more than **218,000 unique workers**. CT Paid Leave has received applications from **all 169 cities and towns**.

BY THE NUMBERS:

53 percent of claims allow employees to address their own serious health condition.

32 percent of claims are related to pregnancy, childbirth or bonding with a new child.

14 percent of claims support employees to care for a family member with a serious health condition.

My husband was injured helping a friend. He was out of work for 6 weeks. We weren't sure what to do but when instructed to apply for CT Paid Leave, our initial fear turned to relief. We are grateful.

-Sofia

I had a Hysterectomy a year ago and CT Paid Leave made sure that I could pay my bills while recovering. I was able to recover completely before returning to work.

-Irma

This program saved my family! My wife had breast cancer and was not able to work for several months. Thank God we live in Connecticut.

-Michele

The average length of leave is about **7 weeks**.

Claim decisions are made, on average, **2.3 days** after documentation is filed.

92 percent of claims issues are resolved with one phone call.
