## GENERAL PROVISIONS

### I. TYPES OF PRIVATE PLANS

In accordance with Section 31-49o of the Connecticut General Statutes, an employer may apply to use a private plan to meet its obligations under sections 31-49e to 31-49t of the Connecticut General Statutes, commonly known as the Connecticut Paid Leave Act.

#### A. A private plan may consist of either of the following:

1. An insurance policy, the forms of which shall have been approved by the Insurance Commissioner and be issued by an approved insurer, or
2. A self-insured plan, which shall consist of a self-insurance plan document that complies with Authority requirements and a surety bond from an approved surety.

#### B. An Insurance Policy

##### 1. Fully Insured Plan

- a. As set forth in the updated Policy Filing Guidance Notice (hereinafter referred to as the "2021 CT Paid Leave Policy Filing Guidance Notice"), the Connecticut Insurance Department (CID) will consider Carrier-issued policies as consistent with Authority standards provided Carriers use the policy template that is attached to the 2021 CT Paid Leave Notice; and Carriers submit their own policy forms that offer benefits that are at least as beneficial as the requirements of Sections 31-49e through 31-49t of the Connecticut General Statutes. Such submitted policy forms may include brackets to allow variability for product design, but all bracketed items should be explained as part of the filing so that the CID understands that the product will always meet the relevant standards to be considered an Authority-qualified policy. Additionally, unless specified in the instructions within the template, Carriers are allowed to include the provisions in an order that deviates from the template provided. However, CID shall have the right to disapprove if the provisions appear in a manner that is confusing, misleading, or otherwise inconsistent with the purposes of the CT Paid Leave Act.
- b. If the CID approves the submitted policy form(s), it shall issue a certified policy form number for each such approved policy form, shall provide the Authority written notice of the name and address of the insurer and the certified policy form numbers that it has approved, and the SERFF Tracking Number and approval date for the policy form filing.
- c. The Employer shall make available to employees a copy of the policy document from approved CID Carrier no later than 90 days following the effective date of coverage. If employees were provided with the actual policy document prior to the vote, then the requirement shall be deemed to have been met. If employees were previously provided

with a sample or draft version, then the in-force policy must be made available within the timeframe noted.

2. **Approved Insurer.** The CT Paid Leave Authority shall accept only insurance policies issued by insurance companies that have received one of the following ratings from AM Best: a-, a, a+, aa-, aa, aa+, aaa.

C. **Self-Insured Plan**

1. As an alternative to obtaining an insurance policy, an employer can apply for approval to comply with its obligations under the CT Paid Leave Act through a self-insured plan. As part of that application, the employer shall attest that it will provide self-insured coverage to the Employer's covered individuals for benefits in accordance with the CT Paid Leave Act; that its self-insured plan will comply with all requirements established by the CT Paid Leave Authority; and that it has sufficient financial resources to pay claims and provide adequate benefits claims administration to assure that employees have access to benefits as they would if they participated in the public program.
2. **Self-Insured Plan Document.** In order to be eligible for approval as a private plan, only self-insured plan documents that conform to the requirements of the Self-Insurance Plan Document attached as Exhibit A to this Policy (hereinafter, a "self-insured plan document") will be eligible for approval as a self-insurance plan by the CT Paid Leave Authority.
3. **Surety Bond.** In order for a self-insured plan to be approved, the employer shall furnish as part of the application a bond running to the CT Paid Leave Trust Fund with a surety company authorized to transact business in the state as surety in an amount equal to the estimated total yearly contributions that would otherwise be owed by the employer's employees to the CT Paid Leave Trust Fund.

a. The CT Paid Leave Authority shall accept only surety bonds that have been issued by surety companies that are on the federal Department of Treasury's Listing of Approved Sureties at the time the application is submitted.

b. The surety bond shall be in the form established by the Authority.

## THE APPLICATION PROCESS

### II. PRIOR TO THE EMPLOYEE VOTE

- A. Employer registers with the CT Paid Leave Authority on its portal, [ctpaidleave.org](http://ctpaidleave.org), providing or verifying employer's name, address, contact information, industry code and total number of employees working in Connecticut.
- B. At least two weeks before the vote commences, the employer shall provide the employees with:
  - 1. A copy of the approved insurance policy or self-insured plan document;
    - a. The Employer may provide the insurance policy or self-insured plan document in a sample or draft format, without customer specific information (e.g. employer name, policy number) and with watermarks or other details that establish that it is not yet part of the final policy or plan. However, such draft must include all substantive language that is intended to be reflected in the policy or plan.
  - 2. A plain language guide describing the plan that includes, at a minimum, the information contained in the Plain Language Template attached as Exhibit B to this policy; and
  - 3. Instructions about the voting process.
- C. The employer may provide additional information about the proposed private plan, including but not limited to information about any benefits provided that exceed the statutory requirements.
- D. The method of distribution of such documents and information shall be at least as efficient and effective as the manner by which the employer distributes other legally required work-related postings, such as wage & hour, sexual harassment prevention, and workers' compensation information and other benefit information, such as pension/401(k) summary plan descriptions and open enrollment materials.
- E. The employer shall ensure that the documents and information are accessible to employees who are on leave.
- F. The employer shall ensure that the documents and information comply with federal and state requirements regarding disability accessibility and language accessibility.

### III. REQUIREMENTS FOR THE EMPLOYEE VOTE

- A. Section 31-49o of the Connecticut General Statutes mandates that the CT Paid Leave Authority cannot approve a private plan unless it has been approved by a majority vote of the employer's employees. Accordingly, the employer shall hold the vote on the plan **before** submitting its application to the CT Paid Leave Authority.

- 146 B. "A majority vote of the employer's employees" means that more than 50% of the total number  
147 of employees working in Connecticut for the employer voted in favor the plan. It does **not** mean  
148 more than 50% of the number of employees who participated in the vote.  
149
- 150 C. All employees working in Connecticut on the employer's payroll as of the date or time period of  
151 the vote, including full-time, part-time and probationary employees, as well as any regular  
152 employees who are on a paid or unpaid leaves of absence (such as vacation, medical, military,  
153 educational, disciplinary, etc.) on the day of the vote, shall be afforded the opportunity to vote.  
154
- 155 D. The vote shall occur no earlier than six months prior to the anticipated effective date of the  
156 private plan. A private plan application involving a vote that occurred greater than six months  
157 prior to the effective date of the private plan may be approved, if the Authority, at its sole  
158 discretion, determines that there is good cause for the delay and that the vote reflects the  
159 decision of a majority of current Connecticut employees as of the date of the application.  
160
- 161 E. Each entity of the employer with its own Federal Employer Identification Number ("FEIN") and  
162 with employees working in Connecticut shall hold a vote that is separate and independent from  
163 any other legal entity.  
164
- 165 F. The employer shall not coerce or threaten the employees in any way in connection with the vote.  
166 Evidence that the employer engaged in any coercive or threatening behavior shall be grounds for  
167 the CT Paid Leave Authority to deny or revoke the private plan approval.  
168
- 169 G. The method of voting shall be accessible to employees who are on leave.  
170
- 171 H. The method of voting shall comply with federal and state requirements regarding disability  
172 accessibility and language accessibility.  
173
- 174 I. The question presented to the employees for the vote shall be: "Do you approve the company's  
175 private plan to provide benefits required by the CT Paid Family and Medical Leave Insurance Act?  
176 Yes or No." There shall be no other form of question posted for voting on the private plan.  
177
- 178 J. The method of voting shall be anonymous, unless the employer obtains advance written  
179 permission from the Authority for an exception, and the method of voting shall be capable of  
180 independent, after-the-fact verification.  
181
- 182 1. In order to qualify as an anonymous vote, the method of voting must assure that neither the  
183 management of the employer nor other employees can determine how any individual  
184 employee voted.  
185
- 186 2. The Authority, in its sole discretion, may grant permission for an employer to hold a vote that  
187 is not anonymous if, in advance of holding the vote, the employer makes a written request to  
188 the Authority demonstrating good cause for an exception and explaining its proposed  
189 alternative form of voting.

- 190
- 191 3. Examples of good cause for an exception include, but are not limited to, having only one
- 192 employee in Connecticut, and needing to establish an alternative to an anonymous voting
- 193 method in order to comply with federal or state requirements regarding disability accessibility
- 194 or language accessibility.
- 195
- 196 4. The CT Paid Leave Authority strongly recommends that employers utilize electronic and/or
- 197 on-line tools for voting, provided the employer assures that all employees have access to such
- 198 tools.
- 199

200 **IV. SUBMITTING A PRIVATE PLAN APPLICATION**

- 201 A. The process for an Employer to complete the CT Paid Leave Authority's application for a private

- 210
- 211 3. The CT Paid Leave Authority will verify with CID that the CID has approved the form of the
- 212 insurance policy.
- 213
- 214 4. If the Employer is applying on the basis of a self-insured plan, it shall furnish the required
- 215 surety bond in an amount equal to the estimated total yearly contributions that would
- 216 otherwise be owed by its employees- if the employer were covered by the public program for
- 217 that year as part of its application.
- 218
- 219 5. Employer shall attest that the plan has been approved by a majority vote of its employees
- 220 working in Connecticut and that the vote complied with the CT Paid Leave Authority
- 221 requirements.
- 222
- 223 6. Employer shall report on the application the total number of employees employed by the
- 224 Employer who are working in Connecticut, the total number of employees who voted and the
- 225 numbers of votes for and against the plan.

- 235 9. The Employer shall attest that it will comply and will direct its insurer or Third-Party  
236 Administrator (as applicable) to comply with claims administration mandates adopted by the  
237 CT Paid Leave Authority and/or the CID.  
238
- 239 10. The Employer shall attest that it will provide timely and complete responses and will direct its  
240 insurer or Third Party Administrator (as applicable) to provide timely and complete responses  
241 to any requests by the CT Paid Leave Authority, or its designee, for information relating to  
242 claims that the employer:  
243 a. threatened or coerced employees in connection with the private plan vote;  
244 b. failed to pay benefits;  
245 c. failed to pay benefits timely and in a manner consistent with the public program;  
246 d. failed to maintain an adequate surety bond as required by the CID;  
247 e. misused private plan funds;  
248 f. failed to submit reports as required;  
249 g. provided materially false information to the CT Paid Leave Authority or the CID; or  
250 h. failed to comply with sections 31-49e to 31-49t, inclusive of the Connecticut General  
251 Statutes; or  
252 i. any other reason related to the Authority's responsibility to administer CT Paid Leave Act  
253 and its policies.  
254
- 255 11. The Employer shall provide the name and contact details, including email address and postal  
256 address, of the person designated by the Employer to receive notice of any appeals filed with  
257 the CT Department of Labor. Such contact person may be from the Employer, its insurer, or  
258 Third Party Administrator.  
259
- 260 12. The Employer shall provide the name and contact details, including email address and postal  
261 address, for any and all other correspondence.  
262
- 263 B. If an employer submitting an application for a private plan has not fully remitted contributions for  
264 previous calendar quarter(s), the Authority shall not approve the private plan application until  
265 those contributions, including any associated penalties and/or interest, are remitted to the  
266 Authority. In addition, failure to remit (by the end of the applicable grace period) contributions  
267 that are due following the approval shall be grounds for the Authority to revoke the approval of  
268 a private plan.  
269
- 270 1. As a reminder, contributions for entities that are covered under the public program are due  
271 at the end of each calendar quarter, with a grace period until the end of the first month  
272 immediately following the quarter:  
273 a. First Quarter (Jan. - Mar.) Contributions: Grace period ends April 30

- c. Third Quarter (Jul. - Sept.) Contributions: Grace period ends October 31
- d. Fourth Quarter (Oct. - Dec.) Contributions: Grace period ends January 31

- C. It is permissible for two or more legal entities, each with its own Federal Employer Identification Number ("FEIN") and with employees working in Connecticut, to participate in a single private plan provided that:
  - 1. The plan documents list each entity that is covered by the plan;
  - 2. Each such entity held a separate vote and a majority of the employees of each entity voted in favor of the plan; and
  - 3. Each such entity filed a separate application.
- D. The CT Paid Leave Authority will accept applications on a rolling basis.
  - 1. Applications shall be approved only with effective dates corresponding to the first date of the calendar quarter. In order to be approved for a particular calendar quarter, the application must be **approved** no later than the first day of the month immediately prior to the calendar quarter and the date that the employer's obligation to remit contributions to the Authority is waived.
    - a. For private plans beginning on January 1 – Application must be **submitted and approved** by December 1
    - b. For private plans beginning on April 1 – Application must be **submitted and approved** by March 1

    - d. For private plans beginning on October 1 – Application must be **submitted and approved** by September 1
- E. Pursuant to Section 31-49o of the Connecticut General Statutes, the CT Paid Leave Authority may deny applications for a private plan option if it determines based upon actuarial principles that the solvency of the Trust may be jeopardized. The CT Paid Leave Authority shall draft a policy identifying the factors it will consider and the procedures it will follow in order to make such a determination.
- F. The Authority may also deny a private plan application if the employer failed to meet or comply with any other requirements related to private plans, including while the employer was covered under a previously approved private plan – Reasons that a private plan application may be denied due to prior noncompliance include but are not limited to the following:

323 8. The employer continued to remit contributions to the Authority that were withheld from  
324 employee's earnings for periods of time that a prior private plan was in force.  
325

326 In the event that an employer failed to meet one or more of the above requirements, the  
327 Authority shall approve a subsequent private plan only if the Authority determines, at its sole  
328 discretion, that it is reasonable to expect that the employer can properly administer another  
329 private plan without similar issues recurring.

## ACTIVE PRIVATE PLANS

### V. Private Plan Approval Period

- A. The approval for a private plan shall be effective for up to three years from the effective date of an approved private plan or until the employer materially changes its private plan, whichever comes first.

1. An employer may request that the Authority shorten the approval period for an unchanged plan to less than three years from its approval date. Any such request shall be made through the Authority portal at [www.ctpaidleave.org](http://www.ctpaidleave.org) and shall include a justification for such request.

2. The Authority has the sole discretion to agree to or reject a request to shorten the approval period for an unchanged plan and shall notify the employer of its decision via the Authority portal.

- ~~2.3. The approval of requests for shorter approval periods must include an expiration date as of the last date of a calendar quarter.~~

- B. An employer with an approved private plan shall be responsible for ensuring that private plan coverage is in force for the entirety of the approval period. The employer shall also be responsible for the policy and plan documents remaining in compliance with applicable laws, including the Connecticut Paid Leave Act and policies adopted by the Authority.

- ~~C. Each employer that has been approved for a self-insured plan shall be required on each anniversary of the private plan effective date to either:~~

- ~~1. update-Update its surety bond on a yearly basis to reflect the amount of contributions from that anniversary date to the next anniversary date; or~~

- ~~2. Certify to the Authority that no update is necessary because the surety bond remains in force and is sufficient for the amount of contributions from that anniversary date to the next anniversary date.~~

- D. The employer shall make the policy or plan document available to employees no later than 90 days following the effective date of the private plan. The employer shall have an additional 30 days to upload the policy or plan document to their private plan application in the Authority portal as proof of coverage. If the actual policy or plan document (i.e. not a draft or sample version) was provided during the application process, another copy is not necessary. For fully insured policies, employers may upload the face page of the policy document in order to meet the requirement, as long as it includes the employer's name, the carrier's name, and the effective date of coverage.

- E. Absent the assessment of a penalty described in Section IX, employers shall not remit contributions to the Authority for the period of time that paid leave coverage is in force through a private plan. If an employer continues to remit contributions to the Authority for a period of time that the private plan is in force, the Authority shall refund the contributions to the employer. Such contributions must be returned to the employees from whom they were withheld.

- The penalties shall be owed by the employer. The employer shall not withhold funds from employees' earnings in order to pay for such penalties.

**VI. Material Changes to a Private Plan**

- A. If an employer seeks to make a material change to its private plan, it shall submit a new application to the CT Paid Leave Authority, following a vote by its employees in accordance with Section III of this policy. Such new application shall not terminate the approved status of the previously approved plan, until the effective date of the new approved plan.
- B. The determination of whether a change is material shall be made by taking into consideration the perspective of covered employees.
- C. The following is a non-exclusive list of changes that are considered material:

Gen. Stat. §§ 31-51kk to 31-51qq, inclusive; or (D) a rolling twelve-month period measured backward from an employee's first day of leave taken under Conn. Gen.   5. Changes to correct grammatical or typographical errors.

- 421 Leave Act and related policies, will not require a new vote or a new application, even if material.
- 422
- 423 F. If the CT Paid Leave Authority approves the proposed new private plan, the date the new plan is
- 424 approved will begin a new three-year approval period. When an existing private plan is in effect,
- 425 the effective date of the new plan shall follow the effective date identified in Section IV.D. At its
- 426 own discretion, the Authority may approve an alternative effective date upon request of the
- 427 Employer.
- 428
- 429 G. As noted in Section IV.A.10-12, the Employer shall provide and keep up-to-date the name and

- 432 contact person should be made to the Connecticut Paid Leave online portal at
- 433 [www.ctpaidleave.org](http://www.ctpaidleave.org) no later than 45 days from the date of the change. Employer accounts must
- 434 have at least one person whom the Authority can contact with any requests, questions or
- 435 concerns about the private plan. Failure to have an existing contact person may be grounds for
- 436 the involuntary termination of the private plan.
- 437
- 438 H. An employer with an approved private plan shall notify the Authority if it ceases to employ
- 439 employees in Connecticut.

440

441 **VII. AUDITS OF PRIVATE PLANS**

- 442 A. The employer shall maintain and shall require its carrier or administrator, as applicable, to
- 443 maintain accurate and complete records relating to the private plan and shall make all such
- 444 records available at all reasonable hours for audit and inspection by the Authority, upon
- 445 reasonable advance written notice. Such records may include, but are not limited to, payroll
- 446 records; employee schedules and timecards; tax forms, and claim files. Such records shall be
- 447 kept at least three years from the termination of the plan.
- 448
- 449 B. Details of the audit process shall be established in a Private Plan Audit Guide that is adopted and
- 450 published by the Authority.
- 451
- 452 C. The Authority shall make all requests for any audit or inspection in writing and shall provide the
- 453 employer, carrier or administrator with reasonable advance notice prior to the requested audit
- 454 and inspection date, provided, however, if the Authority suspects fraud or other abuse, or if the
- 455 Authority determines that the need for the audit or inspection is urgent, the Authority is not
- 456 obligated to provide any prior notice.
- 457
- 458 D. The employer shall preserve and maintain, and shall require its carrier or administrator as
- 459 applicable to preserve and maintain any records relating to an audit or inspection until the audit
- 460 and any audit-related proceedings are concluded.
- 461
- 462 E. The employer shall cooperate fully with the Authority in connection with an audit or inspection,
- 463 and shall require its carrier or administrator to cooperate fully with an audit or inspection.

- 464
- 465 F. **Reasons for Audits.** Audits may be triggered for any number of reasons, including but not
- 466 limited to, the following:

- 468 2. As a result of a complaint;
- 469 3. As the result of deviations in data collected; or
- 470 4. As a result of any other information received by the Authority that has a direct bearing on
- 471 the ability or integrity of the private plan administrator, the plan's compliance with state
- 472 law, or the solvency of plan.
- 473
- 474 G. **Categories of Audits.** Categories of Audits for Private Plans (can include any combination in a

- 479 4. Related to Claims
- 480
- 481 H. **Scope of Audits.** Typically, the audit will specify the scope of an audit to be for a specific
- 482 number of plans or specific time period of claims; however, the Authority also reserves the right
- 483 to review any and all claims. The Authority may request a list of all plans or claims and choose
- 484 a random number of files to review, or it may request specific files.
- 485
- 486 I. **Subject of Audits.** If necessary, the Authority may contact other parties in connection with the
- 487 audit. For example, if auditing an insurance carrier, the Authority may request information from
- 488 an employer whose private plan is administered by the carrier.
- 489
- 490 J. **Remedies and Penalties.** The Authority has the discretion to determine the appropriate
- 491 remedies or penalties that may be appropriate in the event of audit findings or failure of the
- 492 private plan to cooperate fully with the audit, including but not limited to requiring the
- 493 employer, carrier or administrator to cure any errors; rescission of private plan approval; or
- 494 monetary fines.

## TERMINATION OF PRIVATE PLAN

### IX. TERMINATION OF PRIVATE PLAN

#### A. Employer's Responsibility for Coverage.

It shall be the employer's responsibility to keep paid leave coverage in force for all covered employees.

1. If an Employer's **plan is terminated during** the term of a CT Paid Leave Authority-approved exemption period, and the Employer does not obtain approval from the CT Paid Leave Authority to provide private plan coverage from another source (either its own self-insured private plan or another fully insured private plan) the Employer may be:
  - a. Required to remit contributions that its employees would have paid to the CT Paid Leave Authority pursuant to Conn. Gen. Stat. § 31-49g, retroactive to either the later of January 1, 2021 or the start date of the Employer's approved exemption;
  - b. Required to repay to the CT Paid Leave Trust Fund ("Trust Fund") the cost of total amount of benefits paid to Covered Employees who received benefits from the Trust Fund; and
  - c. Subject to additional interest and penalties established by the CT Paid Leave Authority for not maintaining a private plan. Additional penalties are noted in Sections IX.B and IX.C of this policy.
2. The employer is responsible for the payment of any penalties. The employer is prohibited from withholding from covered employees' wages or otherwise collecting funds from covered employees in order to pay any penalties.

#### B. Voluntary Termination of Private Plan.

If an employer voluntarily elects to terminate private plan coverage, and moves coverage to the program administered by the CT Paid Leave Authority (hereinafter the "public program"), the employer must notify the CT Paid Leave Authority. In addition, the following requirements shall apply:

1. *Employee Contributions.* Upon transition to the public program, the employer must remit to the Authority all funds remaining in their possession or control that have been collected from employees for the purpose of providing private plan coverage. Funds that were collected and are owed to a carrier or Third Party Administrator for the period of time that the plan was in force shall be remitted to the carrier or TPA rather than the Authority.
2. *Termination at End of Approved Period.* If the transition occurs at the end of the approved period for the private plan, the employer shall provide notice to the Authority no less than ~~90 days~~one month from the date coverage will end under the private plan. Failure to provide such notice shall not prevent the private plan from terminating.

However, if such notice is not provided by the above timeframe, the Authority shall have the right to assess a penalty up to an amount equal to the first full calendar quarter of contributions that its employees must pay to the Authority pursuant to Conn. Gen. Stat. § 31-49g. The penalty shall be due at the end of the first full calendar quarter that coverage is in force under the public program. The employer may not deduct from employees' earnings in order to pay the penalty.

Coverage under the public program will begin immediately following the last day that coverage is in force under the private plan.

3. *Termination During the Approval Window.* Private plans are expected to remain in force for the full period of time that is approved. If the transition occurs prior to the end of the approved period for the private plan, notice should be provided as soon as possible. In addition, that transition is subject to the following penalty:
  - a. The Authority shall assess a penalty of an amount equal to 300% of the first full calendar quarter of contributions that its employees must pay to the Authority pursuant to Conn. Gen. Stat. § 31-49g, following the termination of the private plan.
  - b. The penalty shall be due at the end of the first full calendar quarter that coverage is in force under the public program.
  - c. The employer may not deduct from employees' earnings in order to pay the penalty.
  - d. Penalty Reduction if Reasonable Effort Made to Remain under a Private Plan: If alternative private plan coverage was reasonably sought, but unable to be acquired, for example, due to denial of coverage from insurance carriers or the failure to receive a majority of employee votes in favor of a replacement plan, coverage under the public program will begin immediately following the last day that coverage is in force under the private plan. The Authority shall be the sole determiner as to whether attempts to obtain coverage were reasonable.

If the Authority determines the reduction in the penalty is appropriate, the penalty shall be equal to 200% of the first full calendar quarter of contributions its employees must pay to the Authority pursuant to Conn. Gen. Stat. § 31-49g, following the termination of the private plan.
4. *Penalties are in Addition to Regular Contributions.* Any penalties assessed shall be independent of contributions employees must pay to the Authority pursuant to Conn. Gen. Stat. § 31-49g related to on-going coverage under the public program and amounts remitted to the Authority that were collected from employees while the private plan was in force.
5. *Reconsideration of Penalties.* If the Authority assesses a penalty to the employer, the employer shall be allowed to request reconsideration from the Authority. The employer may provide any evidence in support of a waiver or reduction in the penalty amount. The

Authority may waive, in whole or in part, the amount of such penalty if such payment would be against equity and good conscience.

### C. Involuntary Termination of a Private Plan

1. The CT Paid Leave Authority may deny or withdraw approval for a private plan if the CT Paid Leave Authority determines that the employer has:
  - a. Threatened or coerced employees in connection with the private plan vote;
  - b. Failed to pay benefits;
  - c. Failed to pay benefits timely and in a manner consistent with the public program;
  - d. Failed to maintain an adequate surety bond as required by the CID;
  - ~~d.e.m.~~ Misused private plan funds;
  - e.f. Failed to submit reports as required;
  - g. Provided materially false information to the CT Paid Leave Authority or the CID;
  - ~~f.h. failed~~ Failed to comply with sections 31-49e to 31-49t, inclusive of the Connecticut General Statutes;
  - ~~g.i.~~ Failed to remit contributions for periods in which it was covered under the public program;
  - ~~h.j.~~ Failed to comply with any other requirements related to private plans, including while covered under a prior private plan approval; or
  - ~~i.k.~~ Directed its insurer or Third-Party Administrator to engage in such actions.
2. If the Authority terminates the private plan for any of the reasons listed in Conn. Gen. Stat. § 31-49o(b) or for failure to meet any other requirements or policies promulgated by the Authority, coverage will terminate on a date indicated by the Authority.
  - a. Coverage will begin under the public program immediately following the last day that coverage is in force under the private plan.
  - b. The Authority shall have the right to assess a penalty up to an amount equal to 400% of the cost of the first full calendar quarter of contributions the employer's employees must pay to the Authority pursuant to Conn. Gen. Stat. § 31-49g, following the termination of the private plan. The penalty shall be due at the end of the first full calendar quarter that coverage is in force under the public program. The employer may not deduct from the employees' earnings in order to pay the penalty.
  - c. Upon transition to the public program, the employer must remit to the Authority all funds remaining in their possession or control that have been collected from employees for the purpose of providing private plan coverage. Funds that were collected and are owed to a carrier or Third Party Administrator for the period of time that the plan was in force shall be remitted to the carrier or TPA rather than the Authority.
3. **Notice to Employer of Potential Violation**
  - a. The Authority shall provide written notice to an employer of a potential violation of the policies relating to private plans, which notice shall include a statement of the alleged violation, a summary of the information upon which the Authority relied in making its

- determination that a potential violation occurred, and the penalty or penalties the Authority is considering.
- b. Not later than twenty days after the date the notice was mailed or sent by electronic mail, the employer may submit additional information to the Authority with a request for reconsideration.
- c. The Authority shall issue a final determination regarding the alleged violation not later than sixty calendar days after the date the Authority mailed or sent by electronic mail the notice of the potential violation, which sixty-day period may be extended for an additional period not to exceed sixty days if (1) the Authority gives written notice to the employer that it requires additional time, and (2) such notice is mailed or sent by electronic mail during the initial sixty-day period.
- d. **Request for Reconsideration.** An employer who has received notice of a potential violation may request reconsideration with the Authority.
- i. Such request shall include the employer's response to the alleged violation and potential penalty.
  - ii. ~~the~~The response shall include all information the employer wants the Authority to consider in reaching a final determination.
  - iii. Such request for a reconsideration must be received no more than twenty calendar days from the date after the notice was mailed or sent by electronic mail.
  - iv. If no request is received, the employer will be deemed to have admitted to the violation and accepted the penalty.
  - v. If the Authority determines that a hearing is necessary to address the request for reconsideration, it shall advise the employer of the date and time of such hearing.
- e. **Hearing.** In the event that a hearing is requested by the Authority, the Chief Executive Officer of the Authority, or his or her designee, will act as the Hearing Officer. Such Hearing Officer shall not be the same person or persons who investigated or made the initial determination that the alleged violation occurred. The Hearing Officer may set a date, time, and place for the hearing. Such hearing may be in-person, via telephone, or other electronic-meeting means.
- i. *Process.* Hearings shall be as informal as may be reasonable and appropriate under the circumstances and in accordance with due process principles. The employer and/or their representative shall be present as well as a representative of the Authority other than the Hearing Officer. Hearings may be recorded, but need not be transcribed. An oral or written statement may be provided by the employer or their representative and by the Authority representative. Physical evidence may be presented and witnesses may be called by either party. All witnesses shall testify under oath or affirmation, and may be subject to cross-examination.
  - ii. *Evidence.* Formal rules of evidence shall not apply to the hearing. The Hearing Officer shall have the discretion to attach as much weight to evidence presented

as he or she deems appropriate and reasonable. The Hearing Officer shall have the power to request additional evidence from either party, after the hearing, if he or she deems necessary. If a request is made, such evidence shall be provided to both parties and may be contested by the opposite party within 5 days.

- iii. *Decision.* The Hearing Officer shall issue a final determination in writing. In the written determination, the Hearing Officer shall state the facts relied upon in order to make the determination of whether or not the employer violated the policies relating to private plans. The Hearing Officer may recommend a penalty or waiver of a penalty, in whole or in part. However, the assessment of such a penalty will remain within the power of the Chief Executive Officer of the Authority, or his or her designee.

- f. **Penalties are in Addition to Regular Contributions.** Any penalties assessed will be independent of amount of contributions employees must pay to the Authority pursuant to Conn. Gen. Stat. § 31-49g related to maintaining on-going coverage under the public program and amounts remitted to the Authority that were collected from employees while the private plan was in force.

- g. **Reconsideration of Penalties.** If the Authority assesses a penalty to the employer, the employer shall be allowed to request reconsideration from the Authority. The employer may provide any evidence in support of a waiver or reduction in the penalty amount. The Authority may waive, in whole or in part, the amount of such penalty if such payment would be against equity and good conscience.

#### **D. Requirements Relating to Data Transfer Upon Any Termination of a Private Plan**

##### **1. Data Transfer upon transition from a private plan to the public program**

- a. Information about the process to handle open paid leave claims as of the date of the transition to or from a private plan can be found in the Authority's Consolidated Policies CTPL-009-PRVP (e).
- b. Upon request by the Authority, the employer, carrier or administrator of the private plan shall provide information that is reasonably necessary related to open paid leave claims.

##### **2. Data Transfer upon transition from a private plan to another private plan**

The data transfer requirements from a terminating private plan to a new private plan shall be determined by the employer and the carriers or administrators, if applicable, of the terminating and new plans. The employer is responsible for ensuring that the transition from the terminating private plan to the new private plan occurs with minimal inconveniences and disruption to its covered employees.

    - a. Transition to the public program; or
    - b. Renew private plan coverage under a new private plan.
  2. *Transitioning to the public program.* In order to transition to the public program, the employer must provide notice to the Authority, in the manner provided by the Authority, no later than ~~90 days~~ one month prior to the expiration date for the private plan.

  3. *Renewing private plan coverage.* In order to continue to be covered under a private plan, an employer must submit a new private plan application with the Authority.
    - a. The employer must submit a new application for a private plan according to the process detailed in Section II, III, and IV of this policy. This process includes:
      - i. A new vote of all current Connecticut employees; and
      - ii. Policy or plan documents reflecting the new private plan.

EXHIBIT A

SELF-INSURANCE PLAN DOCUMENT

798 **Notices**

799 (Employers are allowed to utilize modifications to the language in order to fit the employer's plan  
800 document format – e.g. replacing "Employer" with the actual employer's company name or claims'  
801 administrator's name, as applicable, or "We" – only as long as they do not alter the intent of the  
802 required notice)

803 The first page should include a statement that the plan is intended to cover paid leave benefits that  
804 comply with the Connecticut Paid Family and Medical Leave Insurance Authority ("CT Paid Leave  
805 Authority" or "Authority") standards. The provisions of this Plan must conform with the requirements of  
806 sections 31-49e through 31-49t of the Connecticut General Statutes and the policies promulgated by the  
807 CT Paid Leave Authority (hereinafter respectively referred to as "the CT Paid Leave Act and policies"). If  
808 any Plan provisions do not conform to the requirements of the CT Paid Leave Act and policies, then the  
809 Employer is required to administer paid benefits consistent with the CT Paid Leave Act and policies. If  
810 there are any conflicts between the plan and the CT Paid Leave Act and policies, the CT Paid Leave Act  
811 and policies will be the controlling requirements, unless the plan provisions are more advantageous to  
812 the Covered Employee in which case the plan terms as to those more advantageous provisions will  
813 prevail.

814 The first page should acknowledge that if there are any changes, amendments, or regulatory  
815 clarifications to the provisions of the CT Paid Leave Act and policies then the plan will be administered  
816 consistent with the relevant changes, amendments, or clarifications and all claims practices will be  
817 updated to be in compliance with the new requirements. The plan should be reviewed and updated at  
818 least annually to comply with any changes, amendments or clarifications.

819 The following notice should be on the first or second page of the plan: An employee covered under the  
820 plan shall retain all rights under Conn. Gen. Stat. §§ 31-51kk to 31-51qq, inclusive.

821 The following notice should be on the first or second page of the plan if the Employer requires  
822 contributions from Covered Employees: Contributions from Covered Employees cannot exceed the  
823 maximum employee contributions as described in the CT Paid Leave Act and policies. This maximum  
824 contribution percentage is subject to an annual adjustment by the CT Paid Leave Authority as specified  
825 in Conn. Gen. Stat. §31-49g(b). The amount of wages withheld or diverted from employees for  
826 contributions shall not be increased, except on an anniversary of the effective date of private plan or  
827 within thirty days after the state adjusts the contribution rate.

828

829 **Employer Obligations:**

830

831 **Records -Information to Be Furnished**

832 The Employer is required to keep a record of the essential details of the self-insured plan that applies to  
833 Covered Employees, which may include wage or payment history if the Covered Employee's wages are  
834 used to determine the benefit amount and/or premium amount. The Employer is to keep a record of all  
835 details of the plan, including records relating to its Claims Administrator, if any, for a minimum period of

836 three years after termination of the plan. The Employer shall furnish these records to the CT Paid Leave  
837 Authority upon request.

838

839 **Covered Employee Right to Review Policy**

840 Covered employees shall either be given a copy of the plan or have the right to examine the plan upon  
841 request, at a reasonable time and location.

842 **Effective Date of Plan Coverage:**

843 The plan should explain the coverage relevant to the eligibility dates as follows:

844 *Effective Date for Employer* [Effective date of coverage]

845 *Employee Eligibility*

846 The plan should indicate that all employees who qualify as Covered Employees under the CT Paid Leave  
847 Act and policies will be covered as of the plan effective date. The plan should also indicate the effective  
848 date of coverage for any new hires or newly eligible employees. Such time must be no later than the  
849 date required under the CT Paid Leave Act and policies.

850 **Benefit Provisions**

851 The plan should describe the following items:

852 **Payment Period:** The maximum payment period under the plan.

853 [Variable by Employer, but the minimum durations of paid leave allowable for qualifying reasons are 12  
854 weeks in a 12-month period for all leave reasons except (1) an eligible employee may receive an  
855 additional 2 weeks of leave for incapacitation during pregnancy and (2) only 12 days of the 12 weeks  
856 may be used for family-violencesafe leave.

857 The plan should state specifically how it is determining the 12-month period, which must correspond to  
858 one of the approved options under the CT Family and Medical Leave Act and regulations issued by the  
859 CT Department of Labor. The plan must provide the same method for determining the 12-month period  
860 for all leaves, with two exceptions allowed if the plan intends to mirror the measurement method  
861 indicated under such act and regulations:

- 862
- For military caregiver leaves, the plan may provide for a 12 month period measured forward  
863 from the first day of leave compensation;
  - 864 • For safe leave related to family violence or sexual assault, the plan may provide for utilization on  
865 a calendar year basis.

866 The use of separate methods of calculation is optional. Either or both of the above leave reasons may  
867 match the method of measurement for all other leaves.

868 **Definition of a work week:** The Employer shall calculate the Covered Employee's work week in  
869 accordance with the section 31-51qq-16 of the Regulations of State Agencies, as may be amended from  
870 time to time by the Connecticut Department of Labor regarding the calculation of a variable work week.

871 **Waiting Period:** The Employer may not impose any waiting period on the payment of leave benefits.

872 **How Payments Start:** This provision must meet or exceed the minimum qualifying eligibility conditions  
873 consistent with the CT Paid Leave Act and policies.

874 If the Employer intends to match the minimum requirements of CT Paid Leave Act and policies, it is  
875 recommended that it does not attempt to specifically redefine all the exact reasons for leave in the  
876 policy, in order to avoid any unintended inconsistencies between the plan and the CT Paid Leave Act and  
877 policies. Instead, it is preferable that the plan incorporate by reference the location of the specific  
878 reasons as defined in the CT Paid Leave Act and policies. However, in order to aid in understanding, the  
879 plan may reference the broad categories of leave:

- 880 • Because of their own serious health condition (Including pregnancy, organ or bone marrow  
881 donation);
- 882 • To care for a family member with a serious health condition;
- 883 • To bond with a newborn baby, newly adopted child or newly placed foster child;
- 884 • To address specific issues associated with a parent, spouse, or child's active duty in the military
- 885 • To care for a family member who became ill or was injured in the course of duty while on active  
886 duty in the military;
- 887 • To address specified needs associated with family violence or sexual assault.
- 888

889 **When Payments End:** This provision must meet or exceed the minimum qualifying eligibility conditions  
890 consistent with CT Paid Leave Act and policies. It may state that this occurs when the Covered  
891 Employee is no longer eligible for paid family or medical leave, no longer has a qualifying reason for  
892 leave, or the person has completed the maximum payment period under the plan.

893 The plan should state that termination of the plan will have no impact on eligibility for benefits under  
894 any approved leaves that began while the plan was in force (whether block, intermittent, or reduced  
895 leaves), including any approved extensions for the same leave regardless of whether or not the plan was  
896 in force at time of extension. If a paid leave compensation continues beyond the termination date of  
897 the plan, the plan may terminate such benefits at the earlier of:

- 898 • The date that a new medical certification is required due to the expiration of the previously  
899 submitted certification; or
- 900 • 12 months from the date paid leave benefits were initially provided for that leave.

901 **Intermittent Leave or Reduced Leave Schedule:** The plan must indicate that intermittent leave shall be  
902 taken in increments consistent with the established policy the Employer uses to account for use of leave  
903 under the CT Family and Medical Leave Act, Conn. Gen. Stat. §31-51kk et seq and CT Family Violence  
904 Leave Act, Conn. Gen. Stat. §31-51ss. The plan must also describe any limits on payments, including  
905 when payments may be made, provided that for intermittent leave and reduced leave schedule  
906 absences of less than 4 hours per day, the plan must issue payments for such absences no less  
907 frequently than either every two weeks or semi-monthly. As Employers' plans may vary, in order to

908 provide benefits that are more generous than the CT Paid Leave Act and policies, the language of the  
909 plan may include options to account for these variations.

910

911 • For leave to bond with a Child during the first twelve months after the Child's birth, Adoption, or  
912 Foster Care placement, the plan may state that income replacement compensation may be  
913 provided on an intermittent or reduced leave schedule only if the Employer and the Covered  
914 Employee mutually agree.

915

916 • For leave to care for a Family Member's Serious Health Condition or to care for a Family  
917 Member who is a Covered Service Member, the plan must provide that income replacement  
918 compensation may be provided on an intermittent or reduced leave schedule, if needed. The  
919 plan may require that the employee provide a certification from Health Care Provider that the  
920 intermittent leave schedule is medically necessary as a condition of coverage. If the plan  
921 requires this Health Care Provider certification, this must be stated in the plan.

922

923 • For ~~safe~~ leave due to Family ~~violence~~ **Violence or Sexual Assault** suffered by employee or a  
924 Qualifying Exigency arising out of a Family Member's active duty or impending call to active duty  
925 in the Armed Forces, the plan must provide that income replacement compensation may be  
926 provided on an intermittent or reduced leave schedule.

927

928 • For leave due to the Covered Employee's own Serious Health Condition, including acting as an  
929 organ/bone marrow donor, the plan must provide that income replacement compensation may  
930 be provided on an intermittent or reduced leave schedule, if needed. The plan may require that  
931 an employee provide a certification from a Health Care Provider that the intermittent leave or  
932 reduced leave schedule is medically necessary as a condition of coverage. If the plan requires  
933 this Health Care Provider certification, this must be stated in the plan.

934

935 **Extension of Paid Leave Benefits:**

936 The plan must indicate that the Covered Employee may submit a request for extension of paid family or  
937 medical leave beyond the initial approved duration.

938 The Employer may require the Covered Employee to provide notice to the Employer requesting an  
939 extension of leave. This notice period may not be greater than 14 calendar days prior to the date of  
940 expiration of the original approved leave. If the Employer requires a notice period, it must state that  
941 there is a provision allowing a late filed request for an extension for good cause shown.

942 The Employer may require that a request for an extension of leave include the following information:

- 943 • The reason for the extension;
- 944 • The requested duration of the extended leave;
- 945 • The date on which the Covered Employee provided notice of the request for the extension and
- 946 • A newly completed or updated health care certification or supporting document consistent with
- 947 the provisions applicable to the rights of employers as set forth in Conn. Gen. Stat. 31-51mm.

948 **Employer-Provided Paid Leave**

949 This section should state whether the Employer requires or permits the Covered Employee to use any  
950 sick or other accrued paid leave or paid time off prior to initiating a claim under the plan or while on  
951 approved leave. In the event that an Employer requires the use of sick or other accrued paid leave or  
952 paid time off, an employee who is taking leave pursuant to Conn. Gen. Stat. §§ 31-51kk et seq. is able to  
953 retain not less than two weeks of such paid time off, as required by Conn. Gen. Stat. § 31-51ll(e).

954 When a Covered Employee's earned or accrued paid leave with the employer is not substituted for the  
955 entire period of unpaid leave to which the employee is entitled under Conn. Gen. State 31-51kk et seq,  
956 the employee shall receive income-replacement benefits under the policy for all or part of any unpaid  
957 federal FMLA or CT FMLA leave.

958 When the earned or accrued paid leave is equal to the Covered Employee's regular rate of  
959 compensation, such that the Employee does not qualify for benefits under the policy, such day or days  
960 shall not count against the Employee's maximum allotment of income replacement benefits in a 12-  
961 month period.

962 When the earned or accrued paid leave is less than the Covered Employee's regular rate of  
963 compensation, such that the Employee elects to utilize such paid leave to supplement the benefits  
964 received under the policy, such day or days shall count against the Employee's maximum allotment of  
965 income replacement benefits in a 12-month period.

966 **Benefits for Former Employees**

967 For Covered persons who have been separated for any reason from an Employer for fewer than 12  
968 weeks:

- 969
- 970 • If the covered person remains unemployed or otherwise not covered by the CT Paid Leave  
971 Program or a private plan approved by the CT Paid Leave Authority on the date that a requested  
972 leave begins, the Covered Employee shall submit an application for benefits with their former  
973 Employer.
  - 974 • If an individual submitting an application for benefits identifies themselves as a former  
975 Employee, the plan may inquire as to whether the individual has obtained Connecticut paid  
976 leave coverage with another employer following separation from the Employer or is receiving  
977 unemployment insurance benefits. An affirmative answer to any of these questions may be  
978 grounds for denial of a claim. If such denial is due to separate Connecticut paid leave coverage,  
979 the communication of the denial shall include a notification for the former employee to contact  
980 the Authority or their current employer for more information on how to file a claim for paid  
leave compensation.

981 **Verification of Wages**

982 The plan may require the employee to meet financial eligibility requirement set forth in the definition of  
983 "covered employee" set forth in subsection (4) of 31-49e of the Connecticut General Statutes.

984 The plan is allowed to only utilize wages received from the Employer for the purposes of determining  
985 eligibility under the plan and the calculation of paid leave compensation. Alternatively, the plan may

986 consider earnings from additional employers in order to determine eligibility or compensation amount,  
987 or both. The plan shall identify which wage sources are factored into the plan.

988 **Calculation of Weekly Benefit Amount and Use of Wages**

989 This section should clearly state how the Weekly Benefit Amount payable to the Covered Employee is  
990 calculated. Such provisions should indicate the manner in which benefits may be reduced for other  
991 income that the employee may be receiving, and how benefits are calculated for reduced/intermittent  
992 leave or when leave begins or ends during a work week. The benefit calculation must be at least equal  
993 to the benefits the benefit calculation that would be paid to Covered Employees if participating in the  
994 state plan.

995 **Payments**

996 This section will set forth the timing and manner of benefit payments to Covered Employees. Benefits  
997 should be paid to Covered Employees only. Benefits cannot be assigned unless such assignment is  
998 required by operation of law, such as child support. Benefits that are owed but unpaid at time of death  
999 shall be paid to the employee's estate. Except in the case of self-employed individuals or sole  
1000 proprietors who are both employee and employer, benefits are not allowed to be paid to the employer.

1001 The Employer agrees that it will comply with the time periods and other requirements related to  
1002 processing and payment of claims that are set forth in the CT Paid Leave Act and policies. This section  
1003 will state that claim payments to a Covered Employee are to be paid not more than 15 calendar days  
1004 after approving an application, unless that determination occurs more than 15 calendar days before the  
1005 onset of leave or before the employee meets the eligibility requirements, in which case the Employer  
1006 shall commence payment of leave benefits as soon as the Employer becomes aware that leave or  
1007 eligibility begins.

1008 The Employer is not permitted to offer lump sum payments in lieu of a Weekly Benefit Amount and/or  
1009 pay benefits at the beginning of a claim or in higher amount installments at the commencement of a  
1010 claim. The only exception to this rule is if the lump sum is necessary to pay benefits to which the  
1011 Covered Employee became entitled prior to the claim determination. For each request for payment  
1012 associated with intermittent leave, the Employer may verify the leave taken prior to issuing a payment.

1013 **Offset to Policy Benefits Due to Other Income:**

1014 This section will explain the permissible offsets to the Weekly Benefit Amount under the CT Paid Leave  
1015 Act and policies. Employers may not impose additional offsets /reductions but may elect to include any  
1016 or all of the reductions available under the CT Paid Leave Act and policies. Under the CT Paid Leave Act  
1017 and policies, Covered Employees may receive other income for the same period of time that they are  
1018 receiving paid leave compensation. In order to avoid a Covered Employee receiving greater than 100%  
1019 of their regular rate of compensation, the Weekly Benefit Amount payable under the plan may be  
1020 reduced by the amount of wages or wage replacement that a Covered Employee on leave receives for  
1021 that period from the Employer.

1022 While Employers have the right to not reduce benefits as the result of other income, two restrictions will  
1023 continue to apply:

- 1024 1. Total compensation received by the employee under the plan and other employer-provided  
1025 employment benefits cannot exceed such employee's regular rate of compensation;  
1026 2. Employees may not receive benefits under the plan concurrently with Unemployment  
1027 Insurance, Workers Compensation, or any other federal or state program that provides wage  
1028 replacement, except to the extent permitted by subsection (g) of section 31-49g of the  
1029 Connecticut General Statutes as amended by section 2 of Public Act 24-5.

1030 Income shall be deemed to be received concurrently with paid leave benefits if it is payable due to the  
1031 same period of time that the Covered Employee is receiving paid leave benefits.

#### 1032 **Exclusions**

1033 The plan should not have any exclusions that are not specifically listed in the CT Paid Leave Act and  
1034 policies. If there are future changes to the CT Paid Leave Act and policies, these exclusions should be  
1035 consistent with those changes.

1036 [Employers are allowed to indicate that receipt of Connecticut Unemployment Insurance, Connecticut  
1037 Workers Compensation, or any other federal state program that provides wage replacement (except  
1038 compensation provided by the Office of Victim Services) as an exclusion in this section, rather than the  
1039 previous section. However, such payments shall only be an exclusion if paid concurrently with the  
1040 period of time that paid leave benefits are requested.]

1041

#### 1042 **Claim Provisions**

1043 This section will inform Covered Employees how they may initiate claims for paid leave benefits.

1044 The Employer may not impose requirements related to notice of the need for leave or the filing of a  
1045 claim for benefits that are inconsistent with notice provisions in the CT Paid Leave Act and policies.

1046 The Employer shall clearly explain any claim provisions for paid family and/or medical leave.

1047 The Employer shall explain that the individual may be required to provide consent to the Carrier to share  
1048 information with the Employer and with the health care provider in order to process the claim.

1049 The Employer may require the Covered Employee to provide a notice of an intent to file a claim to the  
1050 Employer not greater than maximum period allowed by statute prior to the date that the employee  
1051 seeks to begin receiving benefits: 7 calendar days for safe leaves related to family violence or sexual  
1052 assault and 30 calendar days for all other leaves.

1053 If the Employer requires a notice period, it must allow an exception for circumstances beyond the  
1054 reasonable control of a Covered Employee. In this case, the Employer may require that the notice be  
1055 given as soon as practicable.

1056 The Employer may indicate if notice is not given, and no good cause is provided for lack of notice, then  
1057 the plan is allowed to wait until the notice period has expired before paying benefits, and further, that if  
1058 the notice period extends beyond the end of the leave, then benefits may not be payable.

1059 The Employer may require that in the case of medical leave when planning medical treatment, the  
1060 Covered Employee must consult the Employer to schedule treatment that will not unduly disrupt the  
1061 Employer's operations.

1062 The Employer should clearly state that decisions on a claim for paid leave benefits will be made within 5  
1063 business days of receipt of a complete application, including complete and sufficient certifications, if  
1064 required. If the application is incomplete or insufficient, the Employer shall notify the employee of the  
1065 information necessary to complete the claim no later than 5 business days from the date of the request.

1066

#### 1067 **Certifications and Documentation Requests**

1068 This section will describe the permissible certifications and documentation that the Employer may  
1069 request from Covered Employees. The Employer may require that claims for benefits be supported by a  
1070 certification evidencing that the leave is for a qualifying reason. The Employer may not include  
1071 certification or other proof requirements in the plan that exceed those permitted to employers under  
1072 section 31-51mm of the Connecticut General Statutes and regulations promulgated by the Connecticut  
1073 Department of Labor relating to such section.

1074 The Employer may not require the Covered Employee to submit additional evidence unless it is  
1075 specifically authorized in the CT Paid Leave Act and policies.

1076 The Employer may describe the information that it will require, with the statement that if there is a  
1077 conflict between the plan terms and the certification and documentation that employers may require  
1078 pursuant to Section 31-51mm of the Connecticut General Statutes and related regulations, or pursuant  
1079 to the CT Paid Leave Act and policies, the terms of the latter statutes, regulations or CT Paid Leave Act  
1080 policies prevail.

1081 The Employer may require submission of the following necessary information for the following types of  
1082 paid family and medical leave. The Employer may require that claims for benefits be supported by a  
1083 certification evidencing that the leave is for a qualifying reason.

#### 1084 **For Medical Leave for the Individual's own Serious Health Condition:**

1091 work due to the serious health condition, including due to organ or bone marrow donation;

1093 statement that such leave or schedule is medically necessary where the claim for benefits is for  
1094 leave on an intermittent or reduced leave schedule and an estimate of the frequency and  
1095 duration of leave needed; and

- Other such information that is permitted to be obtained pursuant to Section 31-51 mm of the Connecticut General Statutes and related regulations.

- An estimate regarding the frequency and anticipated duration of time that the Covered Employee is needed to care for the Family Member; and
- other such information that is permitted to be obtained pursuant to Section 31-51 mm of the Connecticut General Statutes and related regulations.

The Employer may also ask the Covered Employee for:

- A statement confirming the relationship between the Covered Employee and the Family Member; and

- The Employer may also require that the Covered Employee provide written notice of any change of status as an adoptive or foster parent while an application for benefits is pending or while the Covered Employee is receiving benefits. In this instance, the Covered Employee, within five business days of such change in status, may be required to provide written notice of the change

1132 to the Employer.

1205 2. The specific law or section of the policy that caused the denial;

1274 Employers shall provide employees a written description of the proposed private plan in plain language  
1275 (“plain language guide”) at least two weeks in advance of the vote. For purposes of this requirement,  
1276 “plain language” shall be defined as reasonably capable of being understood by the recipients of the

1278 The plain language guide shall include the information in the template below. An employer may add

1296 *An Act Concerning Paid Family and Medical Leave* creates the Paid Family & Medical Leave Insurance  
1297 Program to provide wage replacement benefits to eligible employees who need to take leave from work  
1298 for reasons allowed under the Connecticut Family and Medical Leave Act (CT FMLA) or the ~~family~~  
1299 ~~violence leave law~~ CT Family Violence Leave Act, specifically:

- Because of their own serious health condition (Including pregnancy, organ or bone marrow donation);
  - 1301
  - To care for a family member with a serious health condition;

The CT Paid Family & Medical Leave Insurance Program is run by the CT Paid Leave Authority and is

1312 funded by contributions of ½ of 1% of the wages of employees working in Connecticut. Effective January  
1313 1, 2022, employees may apply to the CT Paid Leave Authority for wage replacement benefits.

1314  
1315 As an alternative to the CT Paid Family & Medical Leave Insurance Program, an employer can apply to  
1316 the CT Paid Leave Authority for permission to offer its employees a private plan.

1317  
1318 For a private plan to be approved, it must provide employees with all of the same rights, protections and  
1319 benefits that are provided to employees under the Connecticut Paid Family & Medical Leave Insurance  
1320 Program and comply with the requirements established by the Connecticut Paid Leave Authority. An  
1321 employee's rights under the CT FMLA and the ~~family violence leave law~~ CT Family Violence Leave Act are  
1322 the same, whether or not the employee receives income replacement benefits through the Paid Family  
1323 & Medical Leave Insurance Program or through an employer-provided private plan.

1324  
1325 In order to apply for permission to offer a private plan, the employer must show that a majority of its  
1326 employees working Connecticut voted to approve the proposed private plan.

1327  
1328 You are receiving this information because your employer wants to apply to the CT Paid Leave Authority  
1329 for permission to offer its employees a private plan.
