CT Paid Leave in the News

FOX61

- Monthly press releases are part of our proactive PR strategy
- July is the anniversary of the ADA, so one of our releases focused on CT Paid Leave for workers with disabilities and their caregivers
- We collaborated with Harc, Inc. for a quote
- Fox 61 picked up the release and published it on 7/16

HEALTH

1 in 4 Connecticut adults have a disability: CDC and CT Paid Leave Authority report

CT Paid Leave Authority said paid leave is available for workers living with a disability, and their caregivers, if they have a serious health condition.

HARTFORD, Conn. — July marks the 34th anniversary of the Americans with Disabilities Act, which prohibits discrimination based on disability.

In a release this week, the [CT Paid Leave Authority](#) reminded Connecticut residents that paid leave is available for workers living with a disability, and their caregivers, if they have what is considered a serious health condition.

5 Minutes of Impact

5 Minutes of Impact: Carrie Frawley of Moving Transitions of Milford

Today's the day! The first episode of our new virtual segment, "5 Minutes of Impact: Short but Powerful Conversations with Connecticut Changemakers", is here.

In this episode, we sit down with Carrie Frawley, Owner and Chief Operations Officer of Caring Transitions of Milford.

Caring Transitions of Milford helps seniors and their families with relocation, downsizing, and estate sales. They provide comprehensive services including packing, moving, and organizing online auctions through CTBids. Their goal is to make transitions smooth and stress-free, ensuring cherished belongings are handled with care.
