

P.A 24-5: Implementation & Outreach

Definition of Municipality

- Priority: outreach to entities that will no longer be considered a municipality and will be covered employers as of October 1, 2024.
- Updated instructions on website for government entities that are not municipalities
- Virtual information session on September 16: [recording](#)

Healthcare Provider Outreach

- Collaboration with Department of Public Health
- Informational flyer distributed to over 74,000 licensed healthcare providers
