

- 31-49g(b) (1) ...each employee and each self-employed individual or sole proprietor who has enrolled in the programshall contribute a percentage of his or her subject earnings that shall not exceed the Social Security contribution and benefit base ... to the Family and Medical Leave Insurance Trust Fund. **Such percentage shall be established by the authority, provided that the percentage shall not exceed one-half of one per cent.**
- 31-49g(b)(2).... On November 1, 2022, and on each November first thereafter, **the authority may announce a revision to the previously established contribution rate, provided the revised rate shall not exceed one-half of one per cent and shall be sufficient to ensure that the trust fund shall achieve and maintain such target fund balance.** Effective on January first of the calendar year following each such announcement, the revised contribution rate announced by the authority under this subsection shall supersede the previously established contribution rate.

- 1-120 (2) “Procedure” means each statement, by a quasi-public agency, of general applicability, without regard to its designation, that implements, interprets or prescribes law or policy, or describes the organization or procedure of any such agency. The term includes the amendment or repeal of a prior regulation, but does not include, unless otherwise provided by any provision of the general statutes, (A) statements concerning only the internal management of any agency and not affecting procedures available to the public, and (B) intra-agency memoranda.
- Quasi-public agencies’ procedures are equivalent to regulations:
 - “As a general proposition, any administrative agency statement of general applicability having a substantial impact on the rights or obligations of those regulated by the agency must be promulgated as a regulation in accordance with the UAPA.”
