

IMPACT-PL

In the first two year of benefit administration, CT Paid Leave has provided over **\$590 million** in benefits to **more than 93,000 workers**. CT Paid Leave has received applications from **all 169 cities and towns**.

BY THE NUMBERS:

51 percent of claims allow employees to address their own serious health condition.

35 percent of claims are related to pregnancy, childbirth or bonding with a new child.

12 percent of claims support employees to care for a family member with a serious health condition.

Claim decisions are made, on average, **3.1 days** after documentation is filed.

92 percent of claims issues are resolved with one phone call.

Historically a lot of the time the burden, and the joys, [of parenting] go to the mother and I like that this allows the husband and the partner to enjoy those benefits as well.

- Stephanie

My wife and I lived in Florida when we started our family... Florida did not offer any paid leave benefits... So, when we decided to have another child, **paid leave was one of the major factors we looked at when deciding where to raise our growing family.**

- David

It's a wonderful resource. You should not have to worry about money when you're worrying about your health. **I'm so grateful that I have this.**

- Paula

The average length of leave is about **7 weeks.**
